Message from the Guest Editor

In this Special Issue, we will focus on professional education as a driving force in spreading modern, evidence-based concepts of the microbiome–host interaction, which is critical to improving health.

We know that many factors influence the composition of the microbiome and that these factors are critical in health and disease. With the tremendous growth of scientific knowledge, the educator plays an important role as the impartial agent of knowledge transfer between the laboratory and the practice setting.

Topics to be covered:

- Oral hygiene and dysbiosis

The potential of oral hygiene measures in reversing disease-promoting dysbiosis will be described for several dental diseases.

- The lifestyle–microbiome connection

Contemporary research has clearly implied diet and nutrition as important factors in dysbiosis.

Keywords

- plaque
- dysbiosis
- demineralization
- virulence factors
- host response

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Claude Jaquéry

Department for Cranio-Maxillo-Facial Surgery, University Hospital Basel, Spitalstrasse 21, CH-4031 Basel, Switzerland

Message from the Editor-in-Chief

The *Dentistry Journal* (ISSN 2304-6767) is an official, peer-reviewed publication of MDPI, which transmits original papers as well as review articles from the entire field of dentistry to the scientific community. The *Dentistry Journal* supports scientific innovations, and clinical and experimental research within the whole field of dentistry and its related areas. The *Dentistry Journal* in particular supports interdisciplinary and translational studies. The *Dentistry Journal* provides a unique opportunity to contribute high quality articles and to take advantage of its large readership.

Author Benefits

Open Access: free for readers, with **article processing charges (APC)** paid by authors or their institutions.

High Visibility: indexed within **Scopus**, **ESCI (Web of Science)**, **PubMed**, **PMC**, and **other databases**.

Journal Rank: JCR - Q2 (*Dentistry, Oral Surgery and Medicine*) / CiteScore - Q2 (*General Dentistry*)
