Dear Colleagues,

This Special Issue welcomes high-quality papers regarding human diseases and conditions. We encourage the submission of comprehensive reviews, systematic reviews and/or meta-analyses that include the most recent research results and findings. We consider this Special Issue to be the best forum to disseminate important research findings and share innovative ideas in the field.

We hope this topic is of interest to you and we invite you to submit a tentative title and short abstract to our Editorial Office for evaluation before submission. Please note that selected papers are still subject to thorough peer review.
