### Message from the Guest Editors

Dear Colleagues,

The aim of this Special Issue is to discuss recent advances in media education. The call is open to papers that address the issue of education in regard to contemporary media, for example, media applications in teaching, training, and learning, but also the issue of education in relation to media, such as new narratives in all types of media employing technological tools, transmedia, print vs. digital media, etc.

This Special Issue could feature research papers, reviews of research studies, technical reports, commentaries, conceptual or opinion pieces.
