- The PhD thesis must be original work.
- The PhD thesis must be defended between 1 January, 2021 and 31 December, 2021.
- Applicants are required to submit the following documents:
 - An executive summary of the PhD thesis in English, of around 3000 words;
 - A letter from PhD supervisor recommending the candidate for consideration for this award;
 - The candidate's CV, including a list of publications connected with the thesis;
 - An electronic copy of the PhD thesis;
 - A scanned copy of the PhD diploma.

Selection Criteria:

- Quality of resume and publications;
- Relevance of the candidate and research description;
- Novelty of the candidate's PhD thesis;
- Strength of the recommendation letter;
- Anticipated academic potential;
- Originality and impact of the research.

Prizes:

- Bonus (800 CHF);
- Certificate;
- Offer to publish a featured paper in *Electronics* with the article processing charge (APC) waived before the end of 2022.

How to apply?

Please submit your application online.

The application deadline is 28 February 2022. The winner will be announced on the *Electronics* website by the end of March 2022.
