Message from the Guest Editor

Dear Colleagues,

This Special Issue aims to provide a further discussion on the most recent advances in the emerging information and communication technology (ICT) all under the name of “Accelerating Digital Transformation with ICT Innovation” from ICTC 2022. ICTC is the unique global premier event for researchers, industry professionals, and academics interested in the latest developments in the emerging industrial focus centered around ICT. More specifically, it will address challenges with realizing ICT convergence over the various industrial sectors, including the internet infrastructures and applications in wireless and mobile communications, smart devices and consumer appliances, mobile cloud computing, green communication, healthcare and bio-informatics, and intelligent transportation.
