# Autonomous Vehicles Technological Trends

### Message from the Guest Editors

The automotive industry has always gone hand in hand with research and innovation, but nowadays the industry is adding pressure and is establishing the agenda of the researchers from the field. The vision is launched; the hardware and the software exist; the only question remaining is: “who is going to deliver”?

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guest-edited by leading experts in selected topics of interest.
