

## Special Issue

# Intelligent Data and Information Processing

### Message from the Guest Editors

The rapid advancement in artificial intelligence (AI) and machine/deep learning (ML/DL) technologies has significantly transformed how data and information are processed and analyzed across various fields. The Special Issue on "*Intelligent Data and Information Processing*" aims to bring together cutting-edge research and developments in this dynamic area, focusing on innovative techniques and applications that leverage intelligent systems for enhanced data management and processing. We invite original research articles exploring (but not limited to) the following topics:

- Machine/Deep Learning and Data Mining
- Intelligent Information Retrieval and Recommendation
- IoT and Sensor Data Processing
- Human-Centered AI

---

## About the Journal

### Message from the Editor-in-Chief

*Electronics* is a multidisciplinary journal designed to appeal to a diverse audience of research scientists, practitioners, and developers in academia and industry. The journal is devoted to fast publication of latest technological breakthroughs, cutting-edge developments, and timely reviews of current and emerging technologies related to the broad field of electronics. Experimental and theoretical results are published as regular peer-reviewed articles or as articles within Special Issues guestedited by leading experts in selected topics of interest.

---

### Editor-in-Chief

Prof. Dr. Flavio Canavero

Department of Electronics and Telecommunications, Politecnico di Torino, 10129 Torino, Italy

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), CAPlus / SciFinder, Inspec, Ei Compendex and other databases.

#### Journal Rank:

JCR - Q2 (Engineering, Electrical and Electronic) /  
CiteScore - Q1 (Electrical and Electronic Engineering)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.4 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the second half of 2025).
