Since its foundation in 2008, *Energies* enters its first decade of publication in 2018. This year *Energies* is celebrating its 10th anniversary. To celebrate the occasion of *Energies* 10th anniversary, we are dedicating the **Energies Outstanding Reviewer Awards** to those reviewers who have exhibited dedication, professionalism, and timeliness when reviewing manuscripts, to acknowledge all those who have generously dedicated their time and effort to review manuscripts submitted to *Energies*.

The *Energies* Editorial Office is extremely grateful to reviewers for the time and energy that they have dedicated to peer reviews. We would like to recognize that effort by offering the Reviewer Awards for those who have made review contributions to *Energies* publications.

2018 ENERGIES AWARD OUTSTANDING REVIEWER

What are the eligibility requirements for the “2018 *Energies* Outstanding Reviewer Awards”?

All *Energies* reviewers from 2017 will be considered automatically.

What are the evaluation standards?

The quality of the reviews will be taken into consideration.

What will the winners receive?

There are two kinds of award:

1. There will be three awardees for 2017 and each will receive:
 - A paper certificate
 - 500 Swiss Francs (CHF)
