Message from the Guest Editors

Dear Colleagues,

We are pleased to invite you to contribute your article to an upcoming Special Issue entitled “Solid Fuels Technology and Applications”, which will be published in *Energies*. This Special Issue is open to researchers and authors that would like to submit their research and review articles that explore the application of solid fuels technologies. The aim of this Issue is to contribute to knowledge of ongoing research on solid fuels technological applications.

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compindex, RePEc, Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: CiteScore - Q1 (Control and Optimization)
