Dear Colleagues,

As the Editor-in-Chief of *Environments*, I am pleased to announce the winners of the *Environments* 2022 Travel Award.

2022 TRAVEL AWARD

The award has been granted to: Michael Eze, a graduate of the Cotutelle PhD program between Macquarie University, Sydney, Australia, and University of Goettingen, Germany; and Murillo Vetroni Barros, a PhD candidate in Industrial Engineering at the Federal University of Technology—Paraná, UTFPR/Brazil.

Due to the many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting such a diverse and fascinating range of research topics. On behalf of the assessment committee, I would like to congratulate the winners on their accomplishments.

Prof. Dr. Yu-Pin Lin
