### Message from the Guest Editors

Dear Colleagues,

This Special Issue will publish selected papers from the 3rd International Conference on Mechanical and Aeronautical Engineering, to be held December 13-16, 2017, in Dubai, UAE.

We encourage contributions from researchers and practitioners around the world on topics indicated below (but not limited to):

- Aerodynamics
- Aerospace propulsion
- Fluid-structure interactions
- Fluid power and transmission
- Experimental and numerical methods

Both fundamental research and innovative applications are welcome. Papers across the entire spectrum of time and scale will be of interest. Together, the Special Issue will reflect the state-of-the-art in the field. Thank you in advance for your interest and contributions.

## Message from the Editor-in-Chief

*Fluids* (ISSN 2311-5521) is an international journal on all aspects of fluids in open access format: research articles, reviews and other contents are released on the internet immediately after acceptance. You are invited to contribute a research article or a comprehensive review for consideration and publication in *Fluids*. The scientific community and the general public have unlimited free access to the content as soon as it is published. Please consider *Fluids* as an exceptional, exciting enterprise ready to reward your trust, attention, and active participation.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, ESCI (Web of Science), Inspec, CAPlus / SciFinder, and other databases.

**Journal Rank:** CiteScore - Q2 (*Mechanical Engineering*)
