## Latest Advances in Active Materials for Food Packaging and Their Application

Guest Editors:

**Prof. Dr. Yun Deng**

School of Agriculture and Biology, Shanghai Jiao Tong University, Shanghai 200240, China

**Dr. Yifeng Zhang**

Department of Food Safety and Health, School of Advanced Agriculture Sciences, Peking University, Beijing 100871, China

**Dr. Yongli Jiang**

Faculty of Food Science and Engineering, Kunming University of Science and Technology, Kunming 650500, China

Deadline for manuscript submissions:

**closed (30 April 2024)**

### Message from the Guest Editors

It is our pleasure to invite you to contribute to our upcoming Special Issue entitled "Latest Advances in Active Materials for Food Packaging and Their Application", which will elucidate the dynamic development of food packaging and its integration with active materials for enhanced preservation and safety. This Special Issue aims to showcase innovative research that combines material science, chemistry, and engineering to create packaging solutions that extend shelf life, minimize spoilage, and safeguard food quality. By fostering collaboration between academia and industry, we aspire to catalyze advancements that bolster food quality, extend shelf life, and address crucial sustainability challenges.

In this Special Issue, original research articles and reviews are welcome. We look forward to receiving your contributions. Your research will not only enrich our understanding of active materials in food packaging, but also drive innovation towards safer, more efficient, and eco-friendly food preservation methods.

## Editor-in-Chief

### Prof. Dr. Arun K. Bhunia

1. Department of Food Science,  
Purdue University, West  
Lafayette, IN, USA

2. Department of Comparative  
Pathobiology (Courtesy), Purdue  
University, West Lafayette, IN,  
USA

## Message from the Editor-in-Chief

*Foods* (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [FSTA](#), [AGRIS](#), [PubAg](#), and [other databases](#).

**Journal Rank:** JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))
