### Message from the Guest Editor

Dear Colleagues,

We would like to bring to you a very special invitation from *Foods*' Sensory and Consumer Science Section.

We are launching a Special Issue dedicated exclusively to the publication of the highest-quality future-focused review papers addressing the human senses and their importance in future food and healthy eating, presented by the most experienced and recognized researchers in relevant fields. Researchers in sensory and consumer science, psychology, physiology, neuroscience, and beyond, and in particular those working in cross-disciplinary contexts are encouraged to submit reviews.

Highly cited and recognized researchers may apply for a full waiver or discount from the *Foods* editorial office in relation to submissions to this Special Issue.

We expect to assemble a Special Issue that will constitute a marker of the most recent trends and of the most important achievements to date that will make a major impact in the future understanding of human senses in food and healthy eating.

## Message from the Editor-in-Chief

*Foods* (ISSN 2304-8158) is an open access and peer reviewed scientific journal that publishes original articles, critical reviews, case reports, and short communications on food science. Articles are released monthly online, with unlimited free access. Currently, *Foods* has been indexed by the Science Citation Index Expanded (SCIE - Web of Science), PubMed, and Scopus. Our aim is to encourage scientists, researchers, and other food professionals to publish their experimental and theoretical results as much detail as possible. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global food science community.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [FSTA](#), [AGRIS](#), [PubAg](#), and [other databases](#).

**Journal Rank:** JCR - Q1 (Food Science and Technology) / CiteScore - Q1 (Health Professions (miscellaneous))
