Message from the Guest Editor

In this special issue, we welcome the submission of articles on the topic of the sound absorption performance of natural sound absorption materials, such as forest by-products, wood products, and any natural materials.

Potential topics include, but are not limited to:

- Natural sound-absorbing material;
- Sound-absorbing material using forest by-products;
- Sound-absorbing material using wood and wood materials;
- Wood modification for permeable pore structure;
- Future perspectives for natural sound-absorbing material.
