### Message from the Guest Editors

Dear Colleagues,

This Special Issue of *Genealogy* invites submissions on the topic of “Familial Naming Practices” to examine ancestral naming and naming practices or patterns, specifically surnames. Surname can be used as an entry point to learning more about historical demographics and family make-up throughout the etymological family history. Manuscripts may focus on topics around identity and belonging in association with names, naming practices, and changing of names--particular surnames during immigration. Because the literature surrounding naming within genealogical and historical scopes is expansive, we are open to how authors frame the conversations around this special topic. Those who wish to submit to this special issue on names and naming should send a short statement of interest with a short description of the plans for the manuscript to the editors no later than October 1, 2018. These should be sent to both: [duane.roen@asu.edu](mailto:duane.roen@asu.edu) AND [sjrobertson@ualr.edu](mailto:sjrobertson@ualr.edu)

## Message from the Editorial Board

*Genealogy* is a scholarly journal that provides a venue for academic, cutting-edge contributions to the interdisciplinary field of genealogy studies. We welcome contributions that examine genealogies of family lineage, use genealogical considerations and methods in examining other historical processes (including migration histories, personal, social, and national identities, and social institutions) or study the construction of genealogical narratives. The journal is also interested in biographical studies and their contribution to the understanding of broader social and historical phenomena.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, ESCI (Web of Science), and many other databases.

**Rapid Publication:** manuscripts are peer-reviewed and a first decision is provided to authors approximately 25.1 days after submission; acceptance to publication is undertaken in 4.9 days (median values for papers published in this journal in the second half of 2025).
