

The journal *Genes* (ISSN 2073-4425, <https://www.mdpi.com/journal/genes>) will offer **1st and 2nd Best Poster and Best Talk Awards** at Neurofly 2020 “**18th European Drosophila Neurobiology Conference**” (<https://neurofly2020.com/>), which will be held in May (4th-7th) in Toledo, Spain, 2021.

2020 BEST POSTER AND TALK AWARDS

AT THE NEUROFLY CONFERENCE 2020

All attendees who complete a poster presentation and talk will be eligible for these awards.

Awards will be judged equally by a team of Scientific Advisors, and a prize of 300 Euros and 200 Euros will be granted to the 1st and 2nd prizes of both categories, respectively, on the basis of presentation clarity and scientific significance.

Best regards,
Genes Editorial Office
