### Message from the Guest Editor

Dear Colleagues,

We are organizing a Special Issue on primary and community care in healthcare. The journal *Healthcare* is scientific and peer reviewed and publishes articles and communications in the areas of healthcare systems, industry, technology, policy, and regulation. For more detailed information on the journal, you can visit our website: <https://www.mdpi.com/journal/healthcare>.

We welcome submissions on a variety of topics, including, but not limited to: examining the effectiveness of different models of primary care delivery; the impact of primary care on patient outcomes and healthcare costs; the impact of social determinants of health on access to community care; analyzing the role of community care in reducing hospital readmissions; examining the impact of integrated primary and community care on patient outcomes and healthcare costs; examining the impact of eHealth on primary care delivery; Analyzing the factors influencing patient adoption and use of eHealth in primary care; and the role of eHealth in promoting patient-centered care and improving health outcomes in integrated care.

Dr. Josep Vidal-Alaball
