Sciences, University of Catania,
95124 Catania, CT, Italy

Dr. Vincenza Capone

Department of Humanities,
University of Naples Federico II,
Via Porta di Massa 1, 80133
Naples, Italy

Message from the Collection Editors

It is, therefore, considered important to set up a debate that brings to light research that addresses the possibility and the effect it has on highlighting how protective factors (resilience, self-efficacy, etc.) are able to prevent and cope with stress factors and, thus, promote well-being and job satisfaction. This Special Issue's primary focus is on psychological health.
