## Digital Technology to Control the COVID-19 Epidemic Infection: Issues, Successes and Failures

Guest Editor:

**Dr. Marcello Sarini**

Department of Psychology,  
University of Milano-Bicocca,  
20126 Milan, Italy

Deadline for manuscript  
submissions:  
**closed (31 March 2022)**

### Message from the Guest Editor

This Special Issue will present a collection of case studies from different countries on the motivations for success or failure regarding the adoption and use of digital technology to control the diffusion of the COVID-19 Epidemic Infection. Special attention will be paid to observation studies in which participants answered questionnaires about the adoption of, or the intention to adopt, contact tracing apps to limit the spread of COVID-19.
