In 2023, we will celebrate the 10th anniversary volume of the journal Healthcare (ISSN 2227-9032), and we would be happy if you could join us on this wonderful occasion. Healthcare is an international, scientific, peer-reviewed, open access journal on health care systems, industry, technology, policy, and regulation, and is published online by MDPI, Basel, Switzerland. Healthcare is indexed within Scopus, SCIE and SSCI (Web of Science), PubMed, PMC, and other databases. In recognition of this significant milestone, we are launching a Special Issue entitled "The 10th Anniversary of Healthcare— Perinatal and Neonatal Medicine". This Special Issue will include high-quality papers on topics within the broad scope of perinatal and neonatal medicine in healthcare. It is our pleasure to invite you to contribute an original research paper or a comprehensive review article for peer review and possible publication in Healthcare.
