Unusual Cases in Epilepsy and Epilepsy Surgery

Guest Editor:

Dr. Vasileios Kokkinos

Department of Neurosurgery,
Massachusetts General Hospital
and Harvard Medical School,
Boston, MA 02114, USA

Deadline for manuscript
submissions:

closed (30 November 2022)

Message from the Guest Editor

In the fields of epilepsy and epilepsy surgery, we all have come across cases that deviate from the textbook descriptions, our training and our clinical experience. Often, these cases are the ones that promote our understanding of epilepsy and provide the initiative for further group studies. In this special issue, I welcome such outlier cases with the aim to shed light in the variability of epilepsy phenomenology and improve our understanding of this disease.

Special Issue

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Sue & Bill Gross School of Nursing, University of California, Irvine, CA 92697, USA

Message from the Editor-in-Chief

Healthcare is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

Healthcare hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), PubMed, PMC, and other databases.

Journal Rank: JCR - Q2 (Health Policy and Services) / CiteScore - Q1 (Leadership and Management)
