Deadline for manuscript submissions:

closed (31 January 2019)

Message from the Guest Editor

Dear colleagues,

This special issue will focus on how human health is affected positively and negatively by bacteria. Original research papers and review articles on characterization of factors involved in the virulence and survival of various pathogenic bacteria, bacterial toxin-antitoxin systems, variations in human gut microbiome under a variety of disease and non-disease conditions will be included in this issue.

Assoc. Prof. Dr. Sangita Phadtare *Guest Editor*

an Open Access Journal by MDPI

Editor-in-Chief

Message from the Editor-in-Chief

Healthcare is an international, scientific, peer-reviewed, open access journal on health care systems, industry, technology, policy, and regulation, and is published semimonthly online by MDPI. Ocular Wellness & Nutrition Society (OWNS) is affiliated with Healthcare and its members receive discounts on article processing charges.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), PubMed, PMC, and other databases.

Journal Rank: JCR - Q2 (*Health Care Sciences and Services*) / CiteScore - Q2 (*Leadership and Management*)
