Message from the Guest Editor

Dear Colleagues,

As an internationally well-recognized journal with global impact, *Healthcare* is releasing a Special Issue to investigate the global opioid epidemic and aims to provide high-quality investigations. This Special Issue aims to seek out the most contemporary evidence-based studies considering health utilization and policy of opioids, MAT, and cancer treatment in the COVID-19 era. Some topics of this Special Issue include, but are not limited to, the following:

- Opioid-related policy in the age of COVID-19;
- Risk factors for opioid overdose;
- MAT provision, coverage, and financing models;
- Optimizing the use of opioid prescriptions in the management of cancer pain;
- Challenges and responses of healthcare systems/sectors;
- New technology in opioid use disorder diagnosis and management;
- Others.

Dr. Sherry Yun Wang

Guest Editor

an Open Access Journal by MDPI

Editor-in-Chief

Message from the Editor-in-Chief

Healthcare is an international, scientific, peer-reviewed, open access journal on health care systems, industry, technology, policy, and regulation, and is published semimonthly online by MDPI. Ocular Wellness & Nutrition Society (OWNS) is affiliated with *Healthcare* and its members receive discounts on article processing charges.

Author Benefits
