University of Health Sciences,
Pomona, CA 91766, USA

Deadline for manuscript
submissions:

closed (25 November 2022)

Message from the Guest Editor

Healthcare systems around the world have long advocated for improved health practices to their patients. Against this backdrop, this Special Issue has been launched with the aim to compile research and review articles in various healthcare disciplines that address the prevention of age-related, acute, and chronic disease states.

As the journal is multidisciplinary in nature, authors are requested to describe the foundation of the disease state to benefit healthcare professionals from different fields who will read your article.

Special Issue

an Open Access Journal by MDPI

Editor-in-Chief

Message from the Editor-in-Chief

Healthcare is an international, scientific, peer-reviewed, open access journal on health care systems, industry, technology, policy, and regulation, and is published semimonthly online by MDPI. Ocular Wellness & Nutrition Society (OWNS) is affiliated with *Healthcare* and its members receive discounts on article processing charges.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), PubMed, PMC, and other databases.

Journal Rank: JCR - Q2 (*Health Care Sciences and Services*) / CiteScore - Q2 (*Leadership and Management*)
