

## Special Issue

# Health Services, Health Literacy and Nursing Quality

### Message from the Guest Editor

This Special Issue aims to explore the current trends, challenges, innovations, and the transformative potential of data and AI in health services delivery and nursing care quality. We invite contributions that examine the multifaceted aspects of nursing practices, health services management, and patient-centered care, with a particular focus on improving patient outcomes, enhancing efficiency, and reducing healthcare disparities.

## About the Journal

### Message from the Editor-in-Chief

*Healthcare* is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

*Healthcare* hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

---

### Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Sue & Bill Gross School of Nursing, University of California, Irvine, CA  
92697, USA
