

Special Issue

The Physical and Mental Well-Being of Individuals with Chronic Diseases

Message from the Guest Editor

This Special Issue aims to explore the multidimensional impact of chronic diseases on both physical and mental health. It will cover topics such as comorbidities, resilience, coping strategies, integrated care, healthcare disparities, and innovative interventions. By aligning with the journal's scope, the Special Issue emphasizes holistic health perspectives, bridging biomedical, psychological, and social aspects of chronic disease research. We look forward to receiving your contributions.

About the Journal

Message from the Editor-in-Chief

Healthcare is an international, peerreviewed, open access, multidisciplinary journal. Original research articles, short communications, review articles, and symposium highlights are welcomed.

Healthcare hopes to influence global health and disease aspects, and hopes to gain high visibility and acceptance by the scientific and healthcare community and will dedicate itself to covering special and specific topics in special issues.

We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Lorraine S. Evangelista

Sue & Bill Gross School of Nursing, University of California, Irvine, CA
92697, USA

Author Benefits
