### **Message from the Guest Editors**

Dear Colleagues,

We are pleased to announce this Special Issue titled “Topical Advisory Panel Members' Collection Series: Nutrition and Healthy Eating, Living and Aging”. This Special Issue aims to provide a venue for networking and communication between *IJERPH* and scholars in nutrition and related fields, including those related to the UN Sustainable Development Goals, and for the education of learners in these fields. All papers will be published fully open access after peer review.

## Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, PubMed, MEDLINE, PMC, Embase, GEOBASE, CAPlus / SciFinder, and other databases.

**Journal Rank:** CiteScore - Q1 (Public Health, Environmental and Occupational Health)
