### **Message from the Guest Editors**

Dear Colleagues,

We are pleased to announce this Collection entitled "Editorial Board Members' Collection Series: "Economic Burden of Public Health Care". This issue will be a collection of papers from researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication between *IJERPH* and scholars in the field of health economics. All papers will be fully open access upon publication after peer review.

## Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, PubMed, MEDLINE, PMC, Embase, GEOBASE, CAPus / SciFinder, and other databases.

**Journal Rank:** CiteScore - Q1 (Public Health, Environmental and Occupational Health)
