Message from the Guest Editors

Dear Colleagues,

Head and neck tumors still represent a great challenge for us today. For this reason, this special issue arises from the desire to collect the latest news you have to offer in this area, being able to send your most recent research on diagnosis and therapy. Trusting in your participation, I send you my best regards.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
