Message from the Guest Editor

This Special Issue explores the impact of stress, anxiety, and depression on mental health. Papers addressing these topics are invited for this Special Issue, especially those combining a high academic standard coupled with innovative technologies (such as fMRI, FNIRS, eye-tracking, and behavior measurements) providing optimal mental problem solutions.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
