Message from the Guest Editors

Dear Colleagues,

We are pleased to announce this Collection titled "Editorial Board Members' Collection Series: Health Promotion and Sports Medicine". This Special Issue will be a collection of papers from researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication between IJERPH and scholars in the field of injury prevention and (non-operative) sports medicine care (and related areas), coupled with state-of-the-art health promotion research. All papers will be fully open access upon publication after peer review.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
