Message from the Guest Editor

Dear Colleagues,

I am pleased to announce this Special Issue entitled "An Exclusive Collection of Papers from Editorial Board Members of the Section 'Environmental Science and Engineering'". This Special Issue will be a collection of high-quality papers from Editorial Board Members. Both original research articles and comprehensive review papers are welcome, addressing current critical issues in the field, grounded in sound science and providing authoritative commentary and novel concepts. All papers will be published with fully open access after successful peer review.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
