### Message from the Guest Editors

This Special Issue seeks papers on sociodemographic, geographical and environmental factors that influence child and maternal health, mortality and malnutrition, and to explore the main concepts, gaps, statistical and health economic methods that allow us to understand and alleviate these issues, especially in low- and middle-income countries.

Deadline for manuscript  
submissions:

**31 December 2024**

## Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, PubMed, MEDLINE, PMC, Embase, GEOBASE, CAPus / SciFinder, and other databases.
