Message from the Guest Editor

The present Special Issue invites submissions of original research articles, case studies, systemic reviews, and meta-analyses in the field of “Joint Injury and Rehabilitation in Sports”. We especially welcome submissions of scientific research that considers all populations or aspects of sports or physical activities. Research that invites discussions that may lead to a potential paradigm shift in the current field of research and/or to studies that identify the underlying mechanisms or define new intervention strategies are especially encouraged.

Message from the Editor-in-Chief

Addressing the environmental and public health challenges requires engagement and collaboration among clinicians and public health researchers. Discovery and advances in this research field play a critical role in providing a scientific basis for decision-making toward control and prevention of human diseases, especially the illnesses that are induced from environmental exposure to health hazards. *IJERPH* provides a forum for discussion of discoveries and knowledge in these multidisciplinary fields. Please consider publishing your research in this high quality, peer-reviewed, open access journal.
