

International Journal of *Molecular Sciences*

Dear Colleagues,

We are pleased to announce that *IJMS* is launching its Travel Award, for which three junior scientists will be selected as winners. The applications will be assessed by an evaluation committee consisting of senior scholars from the *IJMS* Editorial Board.

2023 TRAVEL AWARD

This prize provides financial support for the winners to attend an international conference (including online meetings with a registration fee) in biochemistry and molecular biology, molecular medicine, biomaterial and molecular biophysics, or a related field to deliver an oral and/or poster presentation.

Candidate Requirements:

- Must be a Ph.D student, postdoctoral fellow, lecturer, or assistant professor;
- Plans to attend an international conference in 2023 (with oral or poster presentation).

Required Application Documents:

- Information of the conference the applicant is planning to attend and the abstract that will be submitted;
- CV and list of publications;
- Justification letter describing the focus of the research (max. 800 words);
- Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a Ph.D student/postdoctoral fellow/lecturer/assistant professor.

The winners will each be awarded **800 CHF** and a certificate.

Please submit your applications for the *IJMS* 2023 Travel Award online by **30 November 2022**. The winners will be selected at the end of **January 2023** and announced on the *IJMS* website.
