Messina, Italy

Deadline for manuscript  
submissions:

**closed (31 January 2024)**

### Message from the Guest Editor

Dear Colleagues,

It is a great pleasure for me to share this Special Issue with you.

Raman spectroscopy is an essential technique for physicists, chemists, biologists, and other scientists. Molecular biology studies how molecules interact with each other in living organisms to perform the functions of life, that is, it takes into consideration the molecular basis of biological activity. In this regard, Raman spectroscopy is a non-destructive technique that provides detailed information on chemical structure, phases, and polymorphism, crystallinity, and molecular interactions.

The aim of this Special Issue titled “Applications of Raman Spectroscopy in Molecular Biology” represents an opportunity to present a collection of articles on the most significant results of research in Molecular Biology.

Dr. Maria Teresa Caccamo

Odontostomatologic and  
Specialized Clinical Sciences,  
Sez-Biochimica, Faculty of  
Medicine, Università Politecnica  
delle Marche, Via Ranieri 65,  
60100 Ancona, Italy

## Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Inorganic Chemistry)
