Odontología, Universitat de  
Valencia, 46010 Valencia, Spain

**Dr. Ana Cervera**

Neuronal Circuits Lab,  
Department of Human Anatomy  
and Embryology, Faculty of  
Medicine and Odontology,  
Universitat de València, Av.  
Blasco Ibáñez 15, 46010 València,  
Spain

Deadline for manuscript  
submissions:

**closed (15 June 2023)**

### Message from the Guest Editors

The purpose of this Special Issue is to collect recent information about peripheral biomarkers in neurodegenerative diseases such as Parkinson's, Alzheimer's, Lewy bodies dementia, multiple sclerosis, frontal dementia, Huntington disease, and others. Papers about molecules useful for diagnosis, evolution, prevention, and risk factors are welcome. We invite authors to contribute original research articles as well as review articles exploring peripheral biomarkers in neurodegeneration. Potential topics include but are not limited to the following:

- microRNAs, proteins, and lipids as peripheral biomarkers of Alzheimer's, Parkinson's, Huntington, etc;
- Oxidized or inflammation-related molecules as markers of any neurodegenerative disease;
- New CSF molecules as biomarkers of neurodegenerative diseases;
- Neuroimaging and neuronal activity as biomarkers of neurodegenerative diseases.

an Open Access Journal by MDPI

## Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Inorganic Chemistry)
