

Special Issue

Advances in Molecular and Translational Medicine: 2nd Edition

Message from the Guest Editor

This Special Issue, "Advances in Molecular and Translational Medicine 2.0", is framed in the context of the most recent discoveries and achievements in biomedical research, which, together with the modern technological and applicative advances in medicine, are evolving towards a revolutionary approach to understanding human diseases and discovering new therapeutic methods. The study of the molecular and cellular mechanisms that regulate complex systems requires an intense interaction between basic and applied research. Translational medicine combines biomedical skills and advancements in basic research with clinical reality. For this Special Issue, original and observational studies, as well as reviews, clinical cases and proof-of concepts in the broad fields of laboratory, clinical and health research, are welcomed.

Guest Editor

Dr. Mariarosaria Boccellino

About the Journal

Message from the Editor-in-Chief

The *International Journal of Molecular Sciences (IJMS)* is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, and molecular biophysics. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.

Editor-in-Chief

Prof. Dr. José L. Quiles
Department of Physiology, Institute of Nutrition and Food Technology
"Jose Mataix", Biomedical Research Center, University of Granada,
Avda. Conocimiento s/n, 18100 Armilla, Granada, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, MEDLINE, Embase, CAPus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)
