

Dear colleagues,

On behalf of the Editor-in-Chief, we are pleased to announce the winner of the JMMP 2022 Travel Award.

# 2022 TRAVEL AWARD WINNER

The award has been granted to **Dr. Jungsub Kim**, who obtained his Master's degree in mechanical engineering from the Catholic University of Daegu, Korea, in February 2014. He also graduated with a PhD in mechanical engineering from Sungkyunkwan University, Korea, in February 2020 under the supervision of Dr. Sangwon Lee. He is presently a postdoctoral fellow in mechanical engineering at Texas A&M University. His research focuses on sensors and instrumentation. Dr. Jungsub Kim will attend the ASME 2022 17th International Manufacturing Science and Engineering Conference and deliver a speech on his paper, "CFRP Milling and Drilling Process Monitoring by Using A Spindle-Integrated Three Axis Force Sensor".

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting such a diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winner on his accomplishments.
