Deadline for manuscript
submissions:

closed (30 September 2024)

Message from the Guest Editor

Dear Colleagues,

This Special Issue aims to collect high-quality review papers from any field focused on *Aspergillus*. We encourage researchers from related fields to contribute review papers that highlight the latest developments in their fields or to invite relevant experts and colleagues to do so. Full-length comprehensive reviews are preferred.

Message from the Editor-in-Chief

The *Journal of Fungi* (JoF, ISSN 2309-608X) is an international, peer-reviewed, scientific, open access journal that provides an advanced forum for studies related to pathogenic fungi, fungal biology, and all other aspects of fungal research. Research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access:— free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, CAPlus / SciFinder, AGRIS, and other databases.

Journal Rank: JCR - Q1 (Mycology) / CiteScore - Q1 (Ecology, Evolution, Behavior and Systematics)
