Deadline for manuscript  
submissions:

**15 January 2025**

### Message from the Guest Editor

This Special Issue aims to encapsulate the cutting-edge research that represents the frontier of knowledge in the field of airway diseases. It is particularly focused on novel diagnostic techniques, therapeutic interventions, and prognostic assessment tools that have emerged in recent years. The scope of this issue extends to molecular biology, clinical trials, and patient-centered care approaches, aiming to cover a broad spectrum of topics that promise to redefine standards and improve clinical outcomes.

This Special Issue invites submissions from a diverse array of scholarly contributions. Desired articles include original research papers that introduce new findings, comprehensive review articles that provide in-depth insights into current knowledge, and case studies that explore innovative treatment applications. This call for papers emphasizes the importance of contributions that not only present scientific rigor but also propose practical implications for clinical practice, aiming to foster a richer understanding and enhanced therapeutic approaches in the treatment of airway diseases.

## Message from the Editor-in-Chief

*Journal of Personalized Medicine (JPM; ISSN 2075-4426)* is an international, open access journal aimed at bringing all aspects of personalized medicine to one platform. *JPM* publishes cutting edge, innovative preclinical and translational scientific research and technologies related to personalized medicine (e.g., precision medicine, pharmacogenomics/proteomics, systems biology, ‘omics association analysis). *JPM* is covered in Scopus, the Science Citation Index Expanded (SCIE), PubMed, PMC, Embase, and other databases.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, and other databases.

**Journal Rank:** JCR - Q1 (Medicine, General and Internal) / CiteScore - Q2 (*Medicine (miscellaneous)*)
