### Message from the Guest Editor

Dear Colleagues,

We are delighted to invite you to contribute to a Special Issue of the Journal of Personalized Medicine, titled "Surgical Innovation and Accuracy Advancement in Orthopedics." This Special Issue aims to report the current advancements and research in orthopedic surgery, focusing on key areas that are driving significant improvements in surgical outcomes.

We welcome original research articles and comprehensive reviews that address the following themes:

- Robotic Surgery in Orthopedics
- Arthroplasty: Innovations and Outcomes
- Radiologic and Clinical Outcome Measurement
- Innovations in Spine Surgery

We believe your expertise and research in orthopedic surgery to improve clinical outcomes would make a significant contribution to this Special Issue. Submissions will undergo a rigorous peer-review process to ensure the publication of high-quality, impactful research.

We look forward to your valuable contribution to this Special Issue and to advancing the field of orthopedic surgery together.
