

## Integrating the Metaverse, Cryptocurrency, and AI for Sustainable Financial Development

Guest Editors:

**Prof. Dr. Aleksy Kwilinski**

**Prof. Dr. Oleksii Lyulyov**

**Prof. Dr. Tetyana Pimonenko**

Deadline for manuscript  
submissions:

**31 December 2025**

### Message from the Guest Editors

The scope of this Special Issue encompasses a diverse range of topics, including (but not limited to) the following:

- Financial mechanisms for funding sustainable initiatives;
- The transformation of the global financial system in the context of managing sustainable development and digitalization processes;
- Sustainable investment strategies and green finance;
- The role of blockchain and other emerging technologies in enhancing environmental sustainability;
- Risk assessment and management in sustainable finance and technology ventures;
- Innovative AI applications in financial risk management and sustainable development;
- The role of cryptocurrencies and blockchain in promoting transparency and inclusivity in financial systems;
- The impact of virtual economies in the metaverse on global financial stability and sustainability goals;
- Technological advancements in virtual and augmented reality for financial education and collaboration;
- Risk assessment and management strategies in the integration of AI and blockchain technologies in finance;
- Case studies highlighting the successful implementation of digital solutions for sustainable finance.

## Editor-in-Chief

Finance, University of Guelph,  
Guelph, ON N1G2W1, Canada

## Message from the Editor-in-Chief

Researchers are most welcome to contribute original research articles or comprehensive review papers for consideration and publication in *Journal of Risk and Financial Management (JRFM)*, an on-line, open access journal. *JRFM* adheres to rigorous peer-review as well as editorial processes, and publishes high quality manuscripts that address theoretical, practical and empirical issues in analysing real life financial data. The goal of *JRFM* is to enable rapid dissemination of high impact research to the scientific community.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, EconBiz, EconLit, RePEc, and other databases.

**Journal Rank:** CiteScore - Q1 (Business, Management and Accounting (miscellaneous))
