Message from the Guest Editors

Dear Colleagues,

This Special Issue focuses on the broad topic of the “Derivatives Market and COVID-19”, and includes novel research on the impact of COVID-19 on the derivatives market. The aim of this Special Issue is to bring together theoretical and empirical research that addresses the derivatives market’s reactions during and in the aftermath of the pandemic. Areas of interest include, but are not limited to, the following: derivatives, risk management, hedging strategies, and regulation, among others. Papers at the intersection of derivatives and economics, asset pricing, investments, or fintech are also encouraged.
