### Message from the Guest Editors

Dear Colleagues,

Scope: This Special Issue, aims to explore the multifaceted role of sustainable finance in achieving the Sustainable Development Goals (SDGs) and shaping a more sustainable future. It will delve into innovative approaches to sustainable finance products and services, effective strategies for managing ESG risks and opportunities, the impact of sustainable finance on investment decisions and portfolio performance, and the role of governments and regulatory bodies in promoting sustainable finance practices.

The Special Issue will make several key contributions to the existing literature on sustainable finance:

- It provides a comprehensive overview of the latest developments and trends in sustainable finance;
- It showcases innovative approaches and strategies for sustainable finance products and services in both advanced and emerging economies;
- It highlights effective strategies for managing ESG risks and opportunities using sustainable finance;
- It analyzes the impact of sustainable finance on investment decisions and portfolio performance;
- It examines the role of governments and regulatory bodies in promoting sustainable finance practices.
