Special Issue

Financial Literacy and Financial Inclusion

Message from the Guest Editors

This Special Issue will collect innovative work in both financial literacy and financial inclusion research. We particularly welcome the submission of papers addressing the following topics:

- Experimental and quasi-experimental impact evaluations of financial literacy and financial inclusion on individuals, households, managers of Small and Medium Enterprises (SMEs), or managers of large firms.
- Effects of financial literacy and financial inclusion on individuals', different genders', managers', or politicians' behaviors.
- Empirical research documenting the causal effect of financial literacy and financial inclusion on investment behavior and outcomes.
- Empirical studies addressing the potential endogeneity of financial literacy and financial inclusion through novel strategies (such as instrumental variables or econometric models)
- New measurement models for financial literacy and financial inclusion.

The deadline for paper submissions is June 30, 2021. Articles will be published in the Special Issue of the journal.
