

land

Dear Colleagues,

We are pleased to announce that *Land* is now welcoming nominations for the 2022 Influential Female Research in Land System Science Award. This prize will be awarded to two female investigators in recognition of their excellence in the field of land. All nominations will be assessed by the Journal Award Committee, which will be led by the Editor-in-Chief, Prof. Dr. Christine Fürst. The winners will be announced by 30 January 2023.

2022 INFLUENTIAL FEMALE RESEARCH IN LAND SYSTEM SCIENCE AWARD

Prizes:

- Each CHF 1500;
- The offer to publish a research article or a comprehensive literature review free of charge in *Land* in 2023, following peer review.

Award Terms and Conditions:

- Open to all career levels;
- Nominees must have a PhD degree;
- Nominees must have produced ground-breaking research and made a significant contribution to the field of land.

List of Documents for Nomination:

- Nominee's name and contact details (including title, institutional affiliation, and email address);
- Scanned copy of doctorate certificate;
- Detailed curriculum vitae, including an updated publication list and a list of the researcher's own research grants;
- A recommendation letter from a senior scientist is optional.

Please submit your nomination to land@mdpi.com. Nominations will be open until 31 December 2022, with the winners to be announced in January 2023.
