Chair of Logistics, Berlin
University of Technology, Berlin,
Germany

Deadline for manuscript
submissions:

closed (20 May 2023)

Message from the Guest Editors

Authors are cordially invited to submit original research papers, review articles, empirical studies and case studies for this Special Issue of *Logistics*. Manuscripts can be submitted on the following topics (non-exhaustive list):

- Managing risks, dynamics and volatility in international logistics networks;
- New management concepts, tools and approaches to achieve more sustainable international logistics networks;
- Novel approaches to achieve resilience and flexibility in international logistics networks;
- Post-pandemic trends and strategies for global logistics;
- New business models for international logistics service providers;
- Assessment of current state and future directions of global freight market;
- Integration of low- and mid-income countries into global value streams to foster intra- and inter-continental trade;
- The role of governments in improving logistics systems;
- Investigations of international infrastructure programs such as the Belt and Road initiative/New Silk Road or the EU Global Gateway and their effect on logistics networks;
- Case studies.
- and so on.

Message from the Editor-in-Chief

I am delighted to take on the editorial role for the open-access international journal *Logistics*, which will emphasize current important issues in logistics and supply chain management. My aim is to ensure that this journal employs a rapid review process; has the flexibility to address the most current topics; and is globally connected, communicating online peer-reviewed articles and related content to a worldwide audience. I have invited a group of leading thinkers to serve as Editorial Review Board Members, who will promote cutting-edge insights from authors from all over the world. Contemporary topics that address current challenges will receive special attention, as will thought-provoking scholarly essays and viewpoints. On behalf of our distinguished Editorial Board, I welcome your contributions.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, ESCI (Web of Science), RePEc, and other databases.

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 29.7 days after submission; acceptance to publication is undertaken in 8.7 days (median values for papers published in this journal in the first half of 2024).
