### Message from the Guest Editor

Dear Colleagues,

Supply chain sustainability has attained special importance as triple-bottom line issues take center stage in the operations of multi-national companies. This Special Issue will focus on models, cases and examples of reverse logistics strategies that enable sustainability of supply chains.

Authors are cordially invited to submit papers to *Logistics* for this Special Issue. Manuscripts can be submitted on any of the following topics:

1. Supply chain sustainability with a focus on reverse logistics
2. Reverse logistics strategies for enabling sustainability
3. Models of reverse logistics strategies
4. Cases and examples of reverse logistics strategies

We especially welcome real-life applications of reverse logistics strategies in companies.

Assoc. Prof. Dr. Rajesh Piplani

## Message from the Editor-in-Chief

I am delighted to take on the editorial role for the open-access international journal *Logistics*, which will emphasize current important issues in logistics and supply chain management. My aim is to ensure that this journal employs a rapid review process; has the flexibility to address the most current topics; and is globally connected, communicating online peer-reviewed articles and related content to a worldwide audience. I have invited a group of leading thinkers to serve as Editorial Review Board Members, who will promote cutting-edge insights from authors from all over the world. Contemporary topics that address current challenges will receive special attention, as will thought-provoking scholarly essays and viewpoints. On behalf of our distinguished Editorial Board, I welcome your contributions.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, ESCI (Web of Science), RePEc, and other databases.

**Rapid Publication:** manuscripts are peer-reviewed and a first decision is provided to authors approximately 25.6 days after submission; acceptance to publication is undertaken in 4.9 days (median values for papers published in this journal in the first half of 2025).
