Message from the Guest Editors

The journal Medicina launched a Special Issue titled "Diabetes, Metabolic Diseases and Nutrition in Women and Children".

Diabetes mellitus remains a health issue that represents a burden for society, patients, and healthcare professionals because of its increasing prevalence and its consequences on patients' wellbeing.

The aim of this Special Issue is to attract authors working in the field of diabetes and metabolic disease, with a special interest in women and children.

We are seeking research papers, reviews, meta-analyses, and case reports.

Deadline for manuscript submissions:

closed (31 December 2023)

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Medicina* (ISSN: 1648-9144). *Medicina* is an open access, peer-reviewed scientific journal that publishes original articles, critical reviews, research notes, and short communications on medicine. The scientific community and the general public can access the content free of charge as soon as it is published.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, and other databases.

Journal Rank: JCR - Q1 (Medicine, General and Internal) / CiteScore - Q1 (General Medicine)
